EXPERT ADVICE

Mr. Sandeep Jain

Founder & CEO – GeeksforGeeks

He started this Journey with just one thought- every geek should have access to a never ending range of academic resources and with a lot of hardwork and determination, GeeksforGeeks was born.

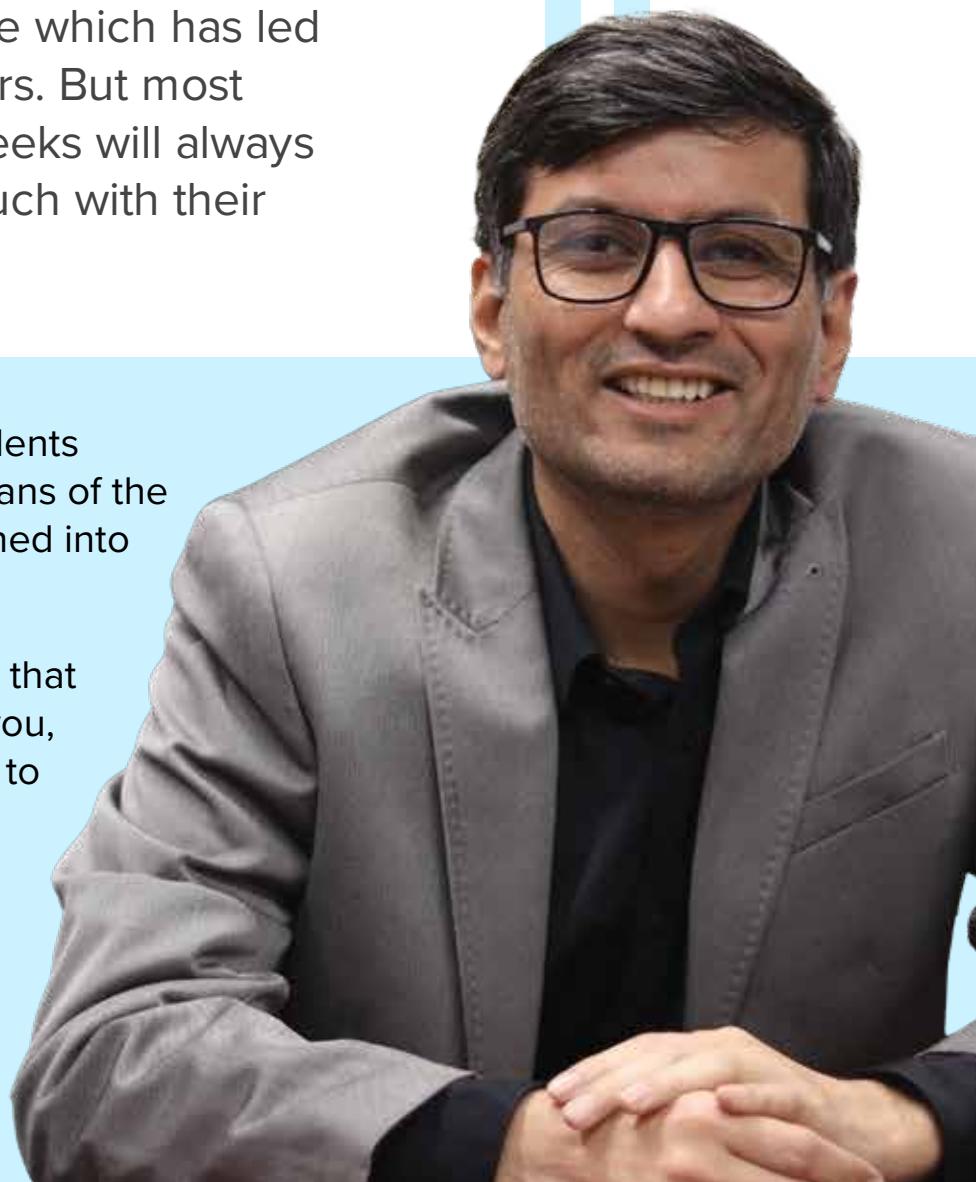

Through this platform, he has successfully enriched the minds of students with knowledge which has led to a boost in their careers. But most importantly, GeeksforGeeks will always help students stay in touch with their Geeky side!

“

I understand that many students who come to us are either fans of the sciences or have been pushed into this field by their parents.

And I just want you to know that no matter where life takes you, we at GeeksforGeeks hope to have made this journey easier for you.

”

COURSE OVERVIEW

Course Duration: 45+ Hours

DSA Journey: From Beginner to Advanced using JavaScript -Self Paced is a comprehensive course designed to equip learners with the fundamentals of Data Structures and Algorithms (DSA) using JavaScript. Starting with the basics of JavaScript syntax and data structures like arrays and objects, participants will progressively delve into essential DSA concepts.

Topics covered include fundamental data structures (linked lists, stacks, queues, trees) and algorithms (sorting, searching, graph algorithms), along with practical implementations and problem-solving techniques. Whether preparing for technical interviews or aiming to strengthen programming skills, this course provides a solid foundation in DSA crucial for every aspiring software developer.

Perfect for computer science students, aspiring software developers, and competitive programmers, this course equips you with the skills to excel in your coding career.

REVIEWS

Chhavi Gupta

This course exceeded my expectations. I Highly Recommend it!

Parul Handa

Enrolling in this course was a turning point in my career journey. The curriculum was well-paced and covered a wide range of topics, from basics to advanced concepts. Go for it!!

Gaurav Jaiswal

I'm thrilled with the knowledge and skills I gained from this course. The lectures were engaging and knowledgeable, making the learning experience enjoyable!

Amit Sejwal

This course was a game-changer for me. The content was relevant and up-to-date. The flexibility of self paced learning and the accessibility of course materials made it easy for me to balance my studies with other commitments!
